Dear Sir or Madam,

Re: C243 Balsham Road, West Wickham (Balsham to West Wickham)

I am writing to advise you that our contractor Cambridgeshire Highways, will commence carriageway patching and preparation works on Thursday 18th June 2020, in advance of carriageway Surface Treatment later in 2020.

Works are anticipated to last 2 days (weekdays), and whilst the work is in progress, during operational hours, the road will be closed from 8am to 4pm, and vehicular access will be restricted. A signed diversion route will be in place for through traffic.

In order for the contractor to complete the work with minimum disruption, it is essential that no vehicles are parked on the road. If you have particular access requirements, please speak to a member of the crew onsite who will be able to assist.

Access to properties within the closure area will be possible, but are subject to working conditions, and delays are to be expected.

Please look out for the advanced notices on site, as these will give the most up to date information; or contact our call centre or email as above.

There will obviously be some noise and disruption associated with the work, and I apologise for any inconvenience that you may suffer.

If you have any queries regarding the works please use the above contact details.

Thank you in advance for your co-operation in this matter.

Yours faithfully,

A handwritten signature in blue ink, appearing to read "Gowler".

Martin Gowler
Network Management Officer
