

Template for Children's Class 2

We would like you to design a poster that the Club can use next year to advertise its Annual Show.

The idea is for people to look at the poster to find out what they might see if they come along and be really excited about taking part.

We always have classes for flowers, fruit and vegetables, cooking and photography as well as special classes for children. *Have a look at this year's Schedule to find out about the classes to get some get some inspiration.*

You will need to include all of the words on the template overleaf, but they don't need to be in the same order.

To create your special poster, you can...

- turnover this piece of paper and use it to decorate the template with your own colourful creations. You might want to colour in the words and even draw pictures in the gaps.
- cut out pictures, drawings and shapes of your own or from magazines and then stick these around the words on this piece of paper.
- start from scratch and write your own lettering and draw a design in your own way.
- design some or all of your poster on a computer and print it out.

There are so many choices! The important thing *is* to have fun and let your imagination run free.

And remember, whoever wins this class will get their own unique T shirt printed for them incorporating their design. Now that would be something to show off about, wouldn't it?

West Wickham & District Gardening Club

ANNUAL SHOW

Sat 19th August 2:30pm

West Wickham Village Hall

RAFFLE

TEA

CAKE

Prize-giving 3:30pm followed by auction
of produce
